WELCOME SPORTSMEN AND SPORTSWOMEN!

Welcome to the 11th Annual Western Hunting & Conservation Expo. Sportsmen for Fish & Wildlife and the Mule Deer Foundation are excited to bring you this very special hunting and conservation show. Your attendance and purchases help ensure the conservation of our wildlife and wild lands and the future of our hunting and sporting heritage. Thank you for joining us.

We are proud of how far the Expo has grown the past 11 years and this year promises to be spectacular. Our four-day event features over 375 exhibits offering the finest guides, outfitters, professional hunters, artists, taxidermists, jewelers, furriers and purveyors of fine guns, knives, optics, clothing and sporting equipment for the discerning sportsman and sportswoman.

We invite you to peruse, enjoy and purchase from our outstanding exhibitors and attend our informative seminars from the industry pros. Our world-class banquets will feature celebrity speakers which includes John Wayne Wauding, Wounded Veteran.. Our evening entertainment will not disappoint. We are happy to announce Casey Donahew, Aaron Watson and Lonestar. Our legendary auctions – in addition to hunts, trips, art and gear – include over 50 state, provincial and tribal permits; more than anywhere on earth. Ladies, wear your pink and come with your friends to the Ladies of the WHCE event, Pretty in Pink, featuring live entertainment by Susie Brown. Join the silent auction, fantastic drawings, exciting games, and great prizes! There is something for everyone at the 2017 Western Hunting & Conservation Expo.

As an attendee, you have the exclusive opportunity to enter drawings for 200 premier Utah big game tags including, bighorn sheep, desert sheep, mule deer, elk, bison, antelope, black bear, cougar, moose and mountain goat. Five "once-in-a-lifetime" tags are featured FOR NON-RESIDENTS ONLY – Moose, Desert Bighorn Sheep, Rocky Mountain Bighorn, Bison and Mountain Goat. Stop by the Utah Tags Registration counter for your chance to have your name drawn for one of these premium-limited tags!

The Western Hunting & Conservation Expo is made possible only by the generous support of our corporate sponsors, exhibitors, donors, members and guests. On behalf of our collective board of directors and staff, we thank you for your support, patronage and attendance, Enjoy the Expo!

AUCTION & PURCHASE ITEMS TERMS & CONDITIONS

The Western Hunting & Conservation Expo (WHCE) is organized to benefit wildlife conservation in conjunction with the Mule Deer Foundation (MDF) and Sportsman for Fish & Wildlife (SFW) by generating funds through the auction of items donated by individuals and companies. SFW and MDF are non-profit charitable organizations organized under section 501(c)(3) of the internal revenue service code.

1. Auction Bidders

Any bid made at a WHCE Auction, whether in person at a live auction, by telephone, or at a silent auction, constitutes an unconditional offer to buy the item in question at the price bid. A person who bids on behalf of another person or group will be ultimately held responsible for payment in its entirety, though such person may seek restitution of such from third parties.

2. Winning Bids

Unless a higher and subsequent bid is made, your bid creates a binding contract of purchase and obligates you to sign the Auction Receipt. In the case of a telephone bid, authorizes your authorized representative who made the bid to sign on your behalf. In the event that the successful bid was made by telephone, the bid price must be received by either MDF or SFW, whoever offered the item for auction, before the close of the fifth business day after the close of the auction.

3. All Sales Final

The auctioneer has the final authority on the amount paid for an item and/or the identity of the purchaser of the item. Auctioneers and spotters will make every attempt to acknowledge all desired bids, but WHCE, SFW and MDF are not responsible for any missed bids or bids that fail to be executed.

4. Auction Receipt

The Auction Receipt will be brought to you or your representative for signature immediately after your winning bid. A binding contract is formed by your bid and formalized by signing of the Auction Receipt. This binding contract requires that the bid amount be paid prior to the close of the auction. Participation in the auction and/or signature on the Auction Receipt, Silent Auction Bid Sheet or other Bid Form guarantees that the purchaser has read and understands these Auction Terms and Conditions and that the purchaser agrees to be legally bound by all terms, conditions, rules and regulations in relation to the auction and the auction item.

5. Full Responsibility of Purchaser

It is the Purchaser's Responsibility to Contact the Donor no later than 30 days after the auction Regarding Purchased Items, Services or Hunts to discuss the scheduling of their hunt or fishing trips. Dates and times for applicable items are to be used when indicated. In the absence of designated dates and times, the same are to be arranged at the mutual convenience of the donor and winning bidder/purchaser. It is the responsibility of the successful bidder, in a proper and timely manner, to apply and pay for all required tags and licenses on any hunting or fishing trip auctioned. WHCE, SFW and MDF is not, and will not act as, a conduit or go between with respect to the purchaser and donor.

6. Purchaser Failures to Comply

Any failure of compliance with the provision above may result in additional costs incurred due to non-compliance and will be the responsibility of the purchaser.

7. No Warranties or Guarantee on Goods

All goods in the live and silent auctions and fund-raising areas have been acquired or obtained from third parties. The purchaser acknowledges that the goods have not been inspected by WHCE and it is advised in the case of Jewelry, firearms, knives, bullets, and/or other weapons to obtain a competent inspection and test of the goods before use. The goods sold in both the live and silent auctions are sold "As Is" with all faults and defects, and without any express or implied warranty on the part of WHCE, MDF or SFW. WHCE, MDF and SFW do not accept any liability or responsibility for any product, design or use. Any written warranties on the goods delivered to the high bidder are those solely of the manufacturer, and /or their agents, and shall be the sole liability and responsibility of the manufacturer.

8. No Warranties or Guarantees on Services

All services, hunts or otherwise, in the live and silent auctions and fund-raising areas have been acquired for and are to be furnished by third parties and contain the same reservation set forth under "goods" outlined above. No services in the live auction are to be or will be performed by WHCE, MDF or SFW. WHCE, MDF and SFW shall bear no responsibilities for the delivery or quality of any of the services, or for any loss or damages arising from or related to or connected with the performance or non-performance of such services.

9. Hold Harmless

There will be no exchanges or refunds in any item. Although WHCE, SFW and MDF have made every effort to ensure the quality of donated hunts and trips, WHCE, SFW and MDF cannot and does not guarantee the satisfaction of either the donor or the purchaser. Purchaser agrees to hold WHCE, SFW and MDF harmless regarding any dissatisfaction or failures by donor to fulfill purchases.

WHCE reserves the right to add items to the auctions as additional donations become available.

LIVE AUCTION PAYMENT SCHEDULES

All auction items must be paid for by the close of the event where purchased. Payments will be taken at the Auction Payment Table during the Friday Day Auction, Friday Night Banquet, Friday Ladies Lunch and Auction and Saturday Night Banquet. Payments can be made by cash, check, Visa, MasterCard, Discover and American Express. Arrangements for item pick-up can be made at the time of payment. Any items left in the inventory, either unpaid, or uncollected, will be taken to Mule Deer Foundation Headquarters and shipped at the purchasers expense. We ask that you pay for State Tags with cash or check.

****A 3% buyers premium will be added to all State Tag items paid for with a credit card. No buyer's premium will be added when paying with cash or check.**

CLAIMING AUCTION ITEMS PURCHASED

An Auction Runner will bring the auction receipt to the table of the winner for signature immediately upon winning the bid. As mentioned above, the auction receipt formalizes a binding contract made at the time of your bid. Auction items purchased may be claimed during the auctions, or afterwards at the location listed below, with proof of purchase. The Auction Volunteer Team will be available in each auction to assist you in obtaining your item.

Any uncollected items can be claimed, with paid auction receipt, in room 151B on Sunday, February 19 between 10:00AM - 4:00PM.

****Please consult your tax advisor regarding the tax deductibility of any item purchased at an auction.**

PACKAGING AND SHIPPING

The Salt Palace Business Center is also available for all your small package (150 lbs or less) shipping needs - located in the Salt Palace Convention Center on the upper concourse level between rooms 252 and 254. Business Center hours are: Monday - Friday (Saturday on request) 8:00AM - 5:00PM. You can contact the Business Center at 801-534-6301.

SPECIAL CONDITIONS REGARDING FIREARMS

Before taking possession of your purchased firearm, the gun must be registered in compliance with all federal, state, and local firearms laws.

The procedures for claiming your firearm are as follows:

1. Upon winning/purchasing the firearm you must complete FFL Form #4473. Forms will be given to the winner at the time of purchase. Make sure you read the form carefully before signing.
2. Please complete the form promptly and return the completed form to the FFL Dealer. A non-refundable processing fee is required.
3. Please see the FFL Dealer to make arrangements to claim your firearm once your background check is completed and approved.
4. Out-of-state transfers will be sent to the winner's local FFL of their choice.

FFL Dealer Information:

Mule Deer Foundation
Ray Crow
1939 South 4130 West Suite H
Salt Lake City, UT 84104
888-375-3337

****Please Note:** Anyone who purchases or draws a firearm and fails to pass a background check will automatically donate the firearm back to the Mule Deer Foundation (MDF) or Sportsman for Fish & Wildlife (SFW) or whomever sponsored the item. The donated rifle will then be given or sold at the banquet or auction, if possible. A tax deduction slip will be issued to the donor.

This is a 7-day and 7-night Brown Bear hunt for 2 hunters. Average trophies are seven feet, with the exceptional eight-foot bear taken occasionally. These hunts are very high success. The Hunt is conducted from blinds that were pre-baited during the fall and early winter of 2016 before hibernation, to ensure that the bears will return to the bait after coming out of hibernation in the spring, assuring active blinds for the hunters. When not hunting bear, hunters will have the opportunity to hunt Caprecaillies and Black Grouse. The Caprecaillies and Black Grouse are highly sought-after trophies, and the way in, which they hunt these birds are truly unique and will offer a once-in-a-lifetime experience!

This is an exceptional hunt and practically everything is included in the price of the hunt including transportation to/from airport to train station, train tickets to/from Kirov from Moscow, in a first-class sleeper car, transportation from the train station to/from the hunting areas, and all lodging and meals during the hunt. All license fees and \$200 CITIES permit for the bear are included in the package. Hunter can rent a rifle for rental fee of \$200, plus rounds if used, as well. Should the hunters bring along companions, who are not coming to the hunting area, Vladimir can arrange for a touring package of Moscow and Saint Petersburg for the companions while the hunters are at camp, for a reasonable fee. Brought to you by The Safari Connection and Vladimir Koshcheev's Summits of Russia.

Hunt the famous Bowron River Wilderness of Central British Columbia. This wilderness paradise is teeming with moose, black bear and boasts not only exceptional trophy quality but also extremely high harvest success. In 2011, 21 moose hunters harvested 18 moose. In 2012, 16 moose hunters harvested 15 moose. In 2013, 18 hunters harvested 17 moose. In 2014, 16 hunters harvested 14 moose.

Scott Pichette has been guiding the area for over 30-years, many of these years have had 100% success for hunters. In fact, the consistent production from year-to-year make this a hunt of a lifetime. The testimonials from Bowron hunters speak volumes. "The 2012 trophy hunt was truly a great hunt. Saw more trophy moose than you could shake a stick at. Harvested one of the 24 trophy bulls we saw during the hunt. Returned in 2013 and harvested another great bull and a trophy grizzly bear." "Wow, another wonderful year with Bowron. We both got our bulls the 2nd and 3rd day of the hunt." "Well, another great year with Bowron. Biggie got his bull on the 1st day and harvested an 8-foot grizzly bear on the 5th day of the hunt." Come fill your wilderness hunt dreams for moose, black bear and wolf with Bowron Guiding Service, British Columbia.

Enjoy mountain hunting for Dall Sheep by horseback. This is a fully guided 1 on 1 hunt, during the prime of the sheep-hunting season from August 9-20th, 2017 or 2018. Sheep in this area are abundant, population numbers are increasing, and tags are guaranteed. This game-rich area also holds mountain caribou, exceptional Alaska/Yukon Moose and Grizzly Bear. The hunt involves a lot of time in the saddle to cover country to find trophy rams with quite a bit of glassing the high country in this mountainous country.

Hunt will take place in GMU 20A in the Alaska Range on the Yanert Fork drainage, east of Denali Park and south of Fairbanks. The wide river valley is gorgeous with a massive glacier at its head. Hunter will fly from Fairbanks to camp with 10 full days of hunting. This hunt will be guided out of our comfortable base camp, with the option of spiking out for several days at a time to cover even more remote country, if you desire. This area produces good rams in the 37-40" range every year, bull moose up to 70", and 8 ½ foot grizzly. Mountain Grizzly can be added on a trophy fee basis. Mountain Caribou are also available on a drawing basis. Moose can be hunted in September. Arrangements can be made with the outfitter if a mixed bag including moose is desired. Hunter is responsible for \$1,000 air taxi from Fairbanks to camp and return, hunting license/tags and expediting for trophies. Caribou can be applied for in December and added to your hunt for an extra \$4,500, if successful in the draw.

This is a 5-day, 1x1 guided hunt for one (1) experienced hunter. No collection is complete without the audacious scavenging hyenas of Africa. This is an exhilarating hunt that is most challenging. The Hyena's 'whoop whoop' call will send chills down your back in the dead of night. They are impressively versatile in their choice of prey, as their food varies greatly between ecosystems & so too, does the hunting vary to harvest these vicious beasts. This hunt takes commitment and perseverance due to long hours of hunting at night. Transportation during the hunt is by vehicle, with hunting done by baiting, predator calling and lamping at night. Accommodation is in a beautiful hunting camp on the banks of the Murara River. It has all the modern amenities with generated electricity.

Hunt includes: field preparation of trophies, transportation to dipping & packing company in Zimbabwe, round-trip transportation between Bulawayo and West Nicholson, lodging, meals & beverages.

Additional Hunters and non-hunters are welcome. Prices as per Outfitter's current price list.

When you think of conservative buck quotas and older age bucks in the mule deer population, think of Nevada – and set your sights on the hunt of a lifetime! Nevada offers some of the finest mule deer hunting in the West! Abundant, mature bucks known for large antler growth exist in many of Nevada’s mountain ranges. But what happens in Nevada doesn’t have to stay in Nevada! This hunt will return memories and stories to the lucky hunter that may be shared among friends and families for a lifetime. This will not be a hunt that you will want to pass up. MDF returns 100% of your donation to help maintain and restore Nevada’s mule deer herds. Stop by the Nevada Department of Wildlife booth to learn more. Offered by Mule Deer Foundation. MDF is a 501(c)3 tax exempt charitable organization.

GREENLAND MUSK OX AND CARIBOU HUNT FOR ONE (1) HUNTER

Point Blank Hunts
Contact: Joe Jakab
(724) 557-4274
pointblank.jj@gmail.com

We hunt Greenland Musk Ox and Central Barren Ground Caribou, both species are recognized by Boone & Crockett. Greenland, although formerly administered by Denmark, is part of North America. Greenland is a large island sparsely populated and covered 87% by a glacial cap. We hunt the largest herd of both Musk Ox and Caribou, located on the west coast on the Arctic circle, near the town of Kangerlussuaq. Our hunting starts in Kangerlussuaq, which is serviced daily from Copenhagen Denmark by Greenland Air. To get to the hunting areas a variety of transportation is used: jet boats up a large glacial river, ATVs for accessing a remote cabin in the hills near Glacier edge, and motorized rafts to hunt the many glacial lakes. Helicopter hunts can be organized to hunt the remote Green Islands that are beginning to appear in the interior of the ice cap (this is the first time they have appeared in thousands of years). These green spots draw trophy Musk Ox and Caribou, by taking a short helicopter flight you could be the first person to walk a new piece of earth. 100% of the donation will go to the MDF National Endowment Fund.

Hunt Season:

Musk Ox season: July 1 - Nov 1, 2017

Caribou season: Aug 1 - Nov 1, 2017

Included: lodging accommodations, heated meals, licenses and taxes, guiding, skinning and salting of trophies.

The Citori White Lightning's round knob or pistol grip allows the shooter to position his hand at the same, solid place for each shot, thus offering better control for fast-flying waterfowl upland game, sporting clays or trap and skeet. Matching the rounded pistol grip is the forearm. It is nicely rounded and together, they give the name to this over under gun as "Lightning Style," or the Citori White Lightning, a classic style indeed, a timeless style. Browning's Citori White Lightning receiver and action offer a fine choice as opposed to "blued" over unders. The natural color steel receiver and trigger guard are protected from corrosion by a durable coating process called a "nitrided" finish, offering similar protection to bluing. Just with a uniquely elegant and attractive look.

NEW MEXICO SPECIAL BIG GAME ENHANCEMENT PACKAGE

New Mexico Department of Game & Fish

Nicole Quintana

Santa Fe, NM

(505) 476-8035

www.wildlife.state.nm.us

The five license, five species New Mexico Big Game Enhancement Package includes statewide licenses for pronghorn, elk, deer (mule deer or Coues whitetail), Persian (Bezoar) Ibex, and Gemsbok oryx. The SCI World Record Persian ibex (non-native range) is from New Mexico, and the Florida Mountains consistently produce world-class billies. The new Boone & Crockett world record pronghorn was taken in New Mexico in 2013. New Mexico's Rio Arriba county has more mule deer in the Boone & Crockett record book than any county in the United States. New Mexico elk hunting is world renowned and produces 400-class bulls annually. The successful bidder on this package may hunt all five species or barter/ trade/sell any license he or she does not intend to hunt. Guide Service: Not included.

Species:

- (a) Deer: buck with a minimum of one forked antler
- (b) Elk: mature bull
- (c) Oryx: either sex
- (d) Ibex: either sex
- (e) Pronghorn: mature buck

Weapon: The weapon type for all authorizations in this package shall be any legal weapon unless specific weapon restrictions exist pursuant to public land management agency regulations.

Area:

- (a) Deer: any legally accessible public lands where hunting is allowed and private land with written permission.
- (b) Elk: any legally accessible public lands where hunting is allowed and private land with written permission.
- (c) Oryx: any legally accessible public lands where hunting is allowed and private land with written permission. If the holder of an oryx authorization or license chooses to hunt on WSMR, they must contact the New Mexico Department of Game and Fish two weeks in advance of proposed hunt start date to schedule access to White Sands Missile Range (WSMR) and must be accompanied by a badged department employee or a WSMR escort when on WSMR lands.
- (d) Ibex: any legally accessible public lands where hunting is allowed and private land with written permission.
- (e) Pronghorn: any legally accessible public lands where hunting is allowed and private land with written permission.

Dates:

- (a) Deer: Sept 1, 2017 - Jan 31, 2018
 - (b) Elk: Sept 1, 2017 - Jan 31, 2018
 - (c) Oryx: Apr 1, 2017 - Mar 31, 2018
 - (d) Ibex: Apr 1, 2017 - Mar 31, 2018

May West is a 10-year-old, 15.2 hand, blonde mare mule. May West is an extremely nice thick made mule, solid and weighs 1200 pounds. She is gentle, good about her feet and easy to catch. She stays around camp so you don’t need to hobble her, but she is hobble broke. Many hunters have ridden May West as she is the “go to” mule by both hunters and guides. May West has handled all situations we’ve had her in very well. She is better than just your average mule. She is great to pack, use her in the front of the string, in the middle or at the back; she’s great at her job. She will travel out good, as she has never had a problem keeping up with the lead mule. She has packed everything from kitchen panniers to meat and horns, archery bows and backpacks.

317 West Prospect Road
Fort Collins, CO 80526
(970) 472-4437
andy.holland@state.co.us

When it comes to trophy deer, Colorado grows some of the best. Trophy buck mule deer can be found throughout Colorado anytime of the year. Colorado's eastern plains are home to some exceptional whitetails. September is a good time to catch your trophy still in velvet at or above timberline. Hunt Colorado's biggest mule deer in November during the rut. Whatever your choice, you will not be disappointed with the quality and quantity of Colorado's mule deer. Offered by the Mule Deer Foundation. MDF is a 501(c)3 tax exempt charitable organization.

Area: Statewide (seasonal and localized closures apply) See Colorado Proclamation.

Dates: An auction or raffle deer license is valid in all units that are open to the hunting of deer in Colorado and entitles you to take one mule deer. The deer license is valid on a unit-by-unit basis from the beginning of the first open deer season in the unit in the unit until November 30th. Once a deer season of any method of take has opened in a unit, you can hunt using any legal manner of take (i.e. rifle, muzzleloader, archery) until you harvest a deer or until November 30th.

Top of the world, untouched wilderness!

This exciting horseback hunt will take place in the Northern Mackenzie Mountains, some of the most remote & wild high country in NWT, which has rarely been hunted, but has traditionally produced exceptional trophies of all three species. The 2016 sheep season was as good as always, and the average age of rams taken was just under 11 years and 38 inches. We took several exceptional moose in 2016, and the rut kicked in as usual, providing some great action. Our exclusive, 10,000 square mile hunting area is one of the most remote hunting destinations left in North America and contains no roads or trails, and is completely undisturbed by development. Hunter is responsible for all hunting licenses, trophy fees and taxes. Bush flying from Norman Wells to the base camp and return is not included. See outfitters current 2017 price list for additional costs and species available. Hunt Dates: August 27-September 18, 2019 (21 hunting days)

 Booth #1405

Hunt one of Utah's most underrated deer units. The Oak Creek is producing some of the biggest deer in the state, bucks that will rival the world renowned Paunsaugunt and Henry Mountains. In the past two years, several bucks have been taken exceeding 220 B&C points. Some of these bucks are well over 30 inches wide. This unit has long been known for its non-typical genetics and for producing bucks with incredible mass. Don't miss out on your chance take pursue a buck of a lifetime! Hunter is responsible for the cost of the state License and can choose one of the following seasons to hunt:

Archery dates: August 19-September 15, 2017
 Any Legal Weapon (rifle) dates: October 21-October 29, 2017
 Muzzleloader dates: September 27-October 5, 2017

 Phone: +52 662 260 1006
 Booth #920

Hunt with one of Mexico's best outfitters, Nayo Balderrama of Amigo Guides and Outfitters. Nayo is providing this 10-day Desert Bighorn Sheep hunt in Sonora, Mexico for one hunter. The hunt will take place in March 2017 or the following season from November 5th, 2017 to March 20th, 2018. Three guides will be provided to insure your success. The terrain is steep and rocky in areas, what you would expect on a sheep hunt. Nayo is a biologist and a specialist in wildlife management. He is an expert in his field and a successful hunter himself with knowledge of both the hunt and the lands they play on. He started guiding over 20 years ago in Sonora and works approximately 300 days a year in the field. This is a family business. Nay's two sons and daughter work together doing the guiding and

running the camps. All of them love hunting and conservation. Included in the donation is transportation to and from the hunting area after arriving in Hermosillo, Mexico. All accommodations, meals and drinks, hunting license and gun permits are included. A non-hunter can be included at \$200.00 per day. Not included is hotel cost in Hermosillo before and after the hunt, if needed. The main lodge is an Old Mexican style Hacienda - similar to the Cattle Ranches of the old west, with a lot of leg room where you gather for meals at the start and end of the day. While on your hunt, you may stay in African Safari style wall tents, complete with showers and toilet facilities. All linens, sheets, pillows, etc. are provided. Nayo boasts 100% chance of success on this hunt. Stop by their booth at the Western Hunting EXPO and talk to Nayo Balderrama in more detail about this hunt.

KYRGYZSTAN MARCO POLO SHEEP HUNT

Sportsmen for Fish & Wildlife

Melissa Whitaker • (801) 643-3142 • melissa@sfw.net

Booth #1405

Asian Mountain Outfitters offers a unique and adventurous mountain hunting experience in Kyrgyzstan, for one of most incredible mountain sheep in the world, the majestic Marco Polo. This is the Hume Argali, a subspecies of the Marco Polo sheep. The hunt date will be Oct. or Nov. 2017 or January 2018; it is approximately an 8-9 day trip, plus travel. This hunt is conducted on horseback/foot in high elevations (10,000-13,000'). This is not a North American Hunt and hunters need to be prepared for cultural/language differences, long range and sometimes quick shooting (proficient at 500+ yards).

The climates are similar to the high & dry areas of CO, NM and NV. All Kyrgyzstan hunting licenses and fees are included; however camp staff tips are additional. Most of the hunting areas have a heated house or cabin and if spiking out, the hunter will use backpack style tents. A Mid-Asian Ibex can be added to this hunt for an additional \$5,000.00. Typical sizes for Marco Polo Rams are 44"-52" and Ibex range average 37"-45". If it is your first trip to Central Asia, we can arrange a Western/English speaking guide to accompany you (price is \$5,000 USD plus all their travel and trip expenses). Make sure to check out Asian Mountain Outfitters website, Kyrgyzstan Marco Polo and Ibex Hunting for more info.

1472 N. 5th St. Ste 201

Laramie, WY 82072

(307) 432-9453

www.wyomingwildlifefoundation.org

Proceeds from the sale of this tag go to Wyoming Wildlife - The Foundation and will be designated toward projects that directly benefit the species from which the tag originates. The license is valid in any hunt area in accordance with Commission regulations, except the following:

A WY Governor's Moose license shall not be valid in any moose hunt area which has a total quota of ten (10) or less antlered, or any moose licenses. The 5-year waiting period is waived for recipients of the WY Governor's moose license. In addition, preference points will not be lost by the recipients of a WY Governor's moose license. The recipient of the WY Governor's moose license will receive an application form, which must be returned for the issuance of the license. This form cannot be copied. There is no deadline to submit the application and license fee. However, it is recommended to allow two (2) weeks to process and return the license prior to your intended hunt. Once the license is issued, the license cannot be cancelled or transferred to another individual. The authorization for this license will expire December 31, 2017 and cannot be carried over into another year. Hunters are also required to purchase a conservation stamp prior to hunting big game in the state of Wyoming. Offered by the Mule Deer Foundation. You will not want to pass up the opportunity to hunt Sheep on Antelope Island. The Island has been used by the Utah Division of Wildlife Resources as a nursery area to transplant California Bighorn Sheep to other units. We would like to thank the Utah Legislature and Utah State Parks for allowing this unique opportunity. Only two tags will be made available for sheep on the Island, one bid tag and one public draw tag. 90% of the proceeds will go back to improve the habitat on the Island and increase more sheep for future transplants within the state.

TAKE THE LONG WAY AROUND

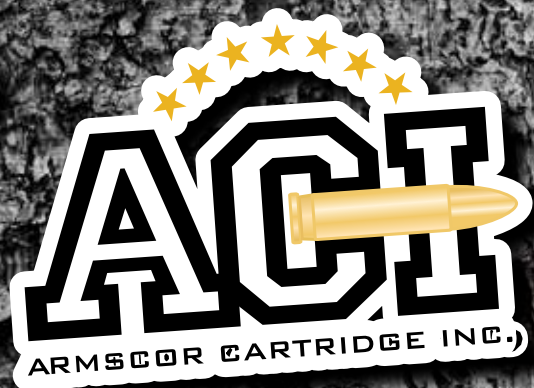

Rev up on the longest ATV trail system in America

The high country of central Utah boasts mountain lakes stocked with trout, aspen forests that turn gold in the fall ... and the most extensive network of ATV and OHV (Off-Highway Vehicle) trails in the nation. The Paiute Trail system is over 900 miles long, with additional 50- and 60-inch side trails in excess of 2,000 miles. Driving the primary trail nonstop takes about 25 glorious hours. But why rush through? Beautiful campgrounds dot the trail, or ride into little towns along the way if the comfort of a real bed and a hot shower is more your style. However you add it up, you'll find an epic off-road adventure in Utah.
