# WELCOME SPORTSMEN AND SPORTSWOMEN!

Welcome to the 13th Annual Western Hunting & Conservation Expo. Sportsmen for Fish & Wildlife and the Mule Deer Foundation are excited to bring you this very special hunting and conservation show. Your attendance and purchases help ensure the conservation of our wildlife and wild lands and the future of our hunting and sporting heritage. Thank you for joining us.

We are proud of how far the Expo has grown the past 13 years and this year promises to be spectacular. Our four day event features over 500 exhibitors offering the finest guides, outfitters, professional hunters, artists, taxidermists, jewelers, furriers and purveyors of fine guns, knives, optics, clothing and sporting equipment for the discerning sportsman and sportswoman.

We invite you to peruse, enjoy and purchase from our outstanding exhibitors and attend our informative seminars from the industry pros. Our world-class banquets will feature celebrity speakers, which include Robert O'Neill, Former Navy Seal known as the soldier who shot Osama Bin Laden as well as Former Congressman and best selling author, Jason Chaffetz. Our evening entertainment will not disappoint. We are happy to announce David Lee Murphy, Eli Young Band and LoCash. Our legendary auctions – in addition to hunts, trips, art and gear – include over 50 state, provincial and tribal permits; more than anywhere on earth. Ladies can dress in their finest Roaring 20's wear and enjoy the Ladies Luncheon midday on Friday complete with silent auction, fantastic drawings, exciting games and great prizes!

As an attendee, you have the exclusive opportunity to enter drawings for 200 premier Utah big game tags including, bighorn sheep, desert sheep, mule deer, elk, bison, antelope, black bear, cougar, moose and mountain goat. Five once-in-a-lifetime tags are featured FOR NON-RESIDENTS ONLY – Moose, Desert Bighorn Sheep, Rocky Mountain Bighorn Sheep, Bison and Mountain Goat. Stop by the Utah Tags Registration counter for your chance to have your name drawn for one of these premium-limited tags.

The Western Hunting & Conservation Expo is made possible only by the generous support of our corporate sponsors, exhibitors, donors, members and guests. On behalf of our collective board of directors and staff, we thank you for your support, patronage and attendance. Enjoy the Expo!

# AUCTION & PURCHASE ITEMS TERMS & CONDITIONS

The Western Hunting & Conservation Expo (WHCE) is organized to benefit wildlife conservation in conjunction with the Mule Deer Foundation (MDF) and Sportsman for Fish & Wildlife (SFW) by generating funds through the auction of items donated by individuals and companies. SFW and MDF are non-profit charitable organizations organized under section 501(c)(3) of the internal revenue service code.

- 1. Auction Bidders-** Any bid made at a WHCE Auction, whether in person at a live auction, by telephone, or at a silent auction, constitutes an unconditional offer to buy the item in question at the price bid. A person who bids on behalf of another person or group will be ultimately held responsible for payment in its entirety, though such person may seek restitution of such from third parties.
- 2. Winning Bids-** Unless a higher and subsequent bid is made, your bid creates a binding contract of purchase and obligates you to sign the Auction Receipt. In the case of a telephone bid, authorizes your authorized representative who made the bid to sign on your behalf. In the event that the successful bid was made by telephone, the bid price must be received by either MDF or SFW, whoever offered the item for auction, before the close of the fifth business day after the close of the auction.
- 3. All Sales Final-** The auctioneer has the final authority on the amount paid for an item and/or the identity of the purchaser of the item. Auctioneers and spotters will make every attempt to acknowledge all desired bids, but WHCE, SFW and MDF are not responsible for any missed bids or bids that fail to be executed.
- 4. Auction Receipt-** The Auction Receipt will be brought to you or your representative for signature immediately after your winning bid. A binding contract is formed by your bid and formalized by signing of the Auction Receipt. This binding contract requires that the bid amount be paid prior to the close of the auction. Participation in the auction and/or signature on the Auction Receipt, Silent Auction Bid Sheet or other Bid Form guarantees that the purchaser has read and understands these Auction Terms and Conditions and that the purchaser agrees to be legally bound by all terms, conditions, rules and regulations in relation to the auction and the auction item.
- 5. Full Responsibility of Purchaser-** It is the Purchaser's Responsibility to Contact the Donor no later than 30 days after the auction Regarding Purchased Items, Services or Hunts to discuss the scheduling of their hunt or fishing trips. Dates and times for applicable items are to be used when indicated. In the absence of designated dates and times, the same are to be arranged at the mutual convenience of the donor and winning bidder/purchaser. It is the responsibility of the successful bidder, in a proper and timely manner, to apply and pay for all required tags and licenses on any hunting or fishing trip auctioned. WHCE, SFW and MDF is not, and will not, act as a conduit or go between with respect to the purchaser and donor.
- 6. No Warranties or Guarantee on Goods or Services-** All goods, services, hunts or otherwise in the live and silent auctions and fund-raising areas have been acquired for and are to be furnished by or obtained from third parties. The purchaser acknowledges that the goods have not been inspected by WHCE and it is advised in the case of Jewelry, firearms, knives, bullets, and/or other weapons to obtain a competent inspection and test of the goods before use. The goods sold in both the live and silent auctions are

sold "As Is" with all faults and defects, and without any express or implied warranty on the part of WHCE, MDF or SFW. WHCE, MDF and SFW do not accept any liability or responsibility for any product, design or use. Any written warranties on the goods delivered to the high bidder are those solely of the manufacturer, and /or their agents, and shall be the sole liability and responsibility of the manufacturer. No services in the live auction are to be or will be performed by WHCE, MDF or SFW. WHCE, MDF and SFW shall bear no responsibilities for the delivery or quality of any of the services, or for any loss or damages arising from or related to or connected with the performance or non-performance of such services.

**7. Hold Harmless-** There will be no exchanges or refunds in any item. Although WHCE, SFW and MDF have made every effort to ensure the quality of donated hunts and trips, WHCE, SFW and MDF cannot and does not guarantee the satisfaction of either the donor or the purchaser. Purchaser agrees to hold WHCE, SFW and MDF harmless regarding any dissatisfaction or failures by donor to fulfill purchases. WHCE reserves the right to add items to the auctions as additional donations become available.

## LIVE AUCTION PAYMENT SCHEDULES

All auction items, \$10,000 or less, **MUST be paid for by the close of the event where purchased.** Payments will be taken at the Auction Payment Table during the Friday Day Auction, Friday Night Banquet, Friday Ladies Lunch and Auction and Saturday Night Banquet. Payments can be made by cash, check, Visa, MasterCard, Discover Card and American Express. **A credit card must be on file to hold any item over \$10,000 and cash or check will be expected no later than February 27th.** Arrangements for item pick-up can be made at the time of payment. Any items left in the inventory, either unpaid, or uncollected, will be taken to Mule Deer Foundation Headquarters and shipped at the purchaser's expense. We ask that you pay for State Tags with cash or check.

**\*\*A 3% buyers premium will be added to all State Tag items paid for with a credit card. No buyer's premium will be added when paying with cash or check.**

## CLAIMING AUCTION ITEMS PURCHASED

An Auction Runner will bring the sales receipt to the table of the winner for signature immediately upon winning the bid. As mentioned above, the sales receipt formalizes a binding contract made at the time of your bid. The Auction Volunteer Team will be available in each auction to assist you in obtaining your item.

## SPECIAL CONDITIONS REGARDING FIREARMS

Before taking possession of your purchased firearm, the gun must be registered in compliance with all federal, state, and local firearms laws. The procedures for claiming your firearm are as follows:

1. Upon winning/purchasing the firearm you must complete FFL Form #4473. Forms will be given to the winner at the time of purchase. Make sure you read the form carefully before signing.
2. Please complete the form promptly and return the completed form to the FFL Dealer. A non-refundable processing fee is required.
3. Please see the FFL Dealer to make arrangements to claim your firearm once your background check is completed and approved.
4. Out-of-state transfers will be sent to the winner's local FFL of their choice.

## FFL Dealer Information:

Mule Deer Foundation  
Ray Crow  
1939 South 4130 West Suite H  
Salt Lake City, UT 84104  
888-375-3337

**\*\*Please Note:** Anyone who purchases or draws a firearm and fails to pass a background check will automatically donate the firearm back to the Mule Deer Foundation (MDF) or Sportsman for Fish & Wildlife (SFW) or whomever sponsored the item. The donated rifle will then be given or sold at the banquet or auction, if possible. A tax deduction slip will be issued to the donor.

7 Day fully guided Spring Coastal Black Bear Hunt aboard 60-foot Alaska Hunting Yacht-

Join Coastal Alaska Adventure for the trip of a lifetime hunting trophy black bear aboard one of Alaska's premier hunting vessels- Artaios!

Master Guide Keegan McCarthy and his crew specialize in giant Coastal Black Bears on the islands and shorelines of southeast Alaska, one of the most sought after hunting areas in the world for these giant bruins. Last year 11 bears in a row over 7 foot were taken, many with skulls exceeding 20". Archery success is high and rifle hunters rarely go home without a shot.

The lucky bidder will hunt aboard the Artaios, the 60-foot vessel was custom built expressly for service in Alaska by one of the Northwest most renowned ship builders, and while finished for luxury, it was built tough for Alaska’s waters. It boast two private guest rooms, each with two beds. A shared full size head for the guest with toilet and shower. Crew has its own full separate accommodations..

Do a little research and you will find that a high numbers of trophy black bears come from SE Alaska! Now is your time to experience the world-class Alaska black bear hunting standards that no other hunting outfitter can match. Our close-knit staff of fully licensed professional guides set the standard for knowledge, skill, effort and experience to help you bag your next trophy black bear. You don’t want to miss the World’s best trophy black bear hunting location... Southeast Alaska. Fishing and sightseeing are also available during the hunt, feast on fresh crab and shrimp or haul in a salmon or halibut!

Dates: 2019 Spring Season – trip may be delayed to 2020 Spring Season

Colorado is home to the largest elk herd in the United States and with this many elk, we are bound to have some exceptional bulls. Several trophy elk units in Colorado are taking almost 20 years to draw a license. Here is your opportunity to get past the crowd, jump to the head of the line and harvest a great bull elk. Colorado is home to many Boone & Crockett or Pope & Young qualifying animals. Come hunt the high country during the rut or wait and catch the animals moving to winter range. Take advantage of this opportunity to visit Colorado and harvest the bull of a lifetime! Offered by the Mule Deer Foundation. MDF is a 501(c)3 tax exempt charitable organization.

Area: Statewide (seasonal and localized closures apply)  
 Dates: An auction or raffle elk license is valid in all units that are open to the hunting of elk in Colorado and entitles you to take one elk of either sex.  
 The elk license is valid on a unit-by-unit basis from the beginning of the first open elk season in the unit until December 31st. Once an elk season of any method of take has opened in a unit, you can hunt using any legal manner of take (i.e., rifle, muzzleloader, archery) until you harvest an elk or until December 31st.

#### SIG Riflescope/Rangefinder Combo

Kilo 2400 BDX Rangefinder & Sierra 3 BDX 6.5 x 20 x 50mm riflescope with 30mm maintube. The BDX rangefinder and riflescope system is simple, fast, and intuitive. Simply download the "SIG BDX" app available for Android and iOS smartphones, pair the KILO BDX rangefinder and Sierra3BDX riflescope, set up a basic ballistic profile, and you're ready to go. Once you are in the field, range your target as you normally would, and the KILO BDX rangefinder will utilize onboard Applied Ballistics Ultralight™, to instantly send your dope to the scope via Bluetooth. Using your basic ballistic profile, the ballistic solution is calculated for your target and will instantly illuminate on the BDX-R1 Digital Ballistic Reticle with windage and elevation holds in the SIERRA#BDX riflescope. A blue LED on the riflescope power selector indicates that the BDX system is paired, and when the reticle has received new ballistic holdover and windage data from the rangefinder.

#### SIG P365

Polymer framed, striker fired, high capacity, 9mm micro compact. Rated for +P ammunition. Comes equipped with X-Ray 3 day/night sights, along 1 flush mount 10rd magazine and 1 extended 10rd magazine. Slide is Nitron coated stainless steel. 100% of the donation will go to the MDF National Endowment Fund.

Aoudad (Barbary Sheep) hunting can be a tough, yet rewarding adventure. Our goal at HWO is to give clients/guests the trophy and hunt of a lifetime. HWO has access to multiple private ranches in West Texas, with huntable acreage totaling over 500,000 acres of free-range sheep paradise! Our guides are well experienced in the field, and will give nothing short of their best. In the last several seasons we have pulled off a stunning 100% shot opportunity on Rams averaging 30+”, which is quite an accomplishment in this rough terrain. HWO has 3 rams in the top 10 of the “Free Range” category, harvested by Jimmy Matthews (39 2/8), CJ Sibert (37 1/8), Clint Hughes (36 7/8).

For traveling, the nearest commercial airports will be El Paso or Midland (Depending on the ranch we hunt). Once landed, you will rent a car and drive to the agreed meeting location. Your guide will then lead you out to the hunting grounds safely. Your travel time from El Paso or Midland to the ranch will be anywhere from 100-200 miles.

Join Point Blank Hunts for a 5-Day Musk Ox or Caribou Hunt for One (1) Hunter in Kangerlussuaq, Greenland. Greenland, named “Land of the People” by its native Inuits, is the largest island on earth, stretching 700 miles east to west and 1500 miles north to south. We hunt muskox and barren ground caribou, endemic to the area, near Kangerlussuaq, above the Arctic Circle in western Greenland. This area has the highest concentration of quality trophy animals, with most hunters experiencing incredible success. Camps are remote and accessed by jet boats throughout September. Cabins and wall tents are propane heated, with comfortable beds, located in the pristine wilderness within sight of glacial caps that cover over 80% of the country. Glacial rivers are abundant with char while flounder, halibut, and cod are fished in saltwater fjords. You may also include waterfowl, arctic hare and fox in your Greenland adventure and enjoy some of the most spectacular scenery on earth by sightseeing in Greenland and Iceland.

Trip arrival & departure point: Kangerlussuaq, Greenland  
 Kangerlussuaq is serviced on Mondays and Fridays from Reyjakavik, Iceland throughout August by Iceland Air. Kangerlussuaq is also serviced 5 days a week from Copenhagen all year.  
 Cost of Extra non-Hunters: \$7000

A mountain hunter's dream, the truly unique Capra species inhabits some of the most remote and beautiful mountains in Asia. You will be hunting in the Sheki, Ismailly, and Guba regions for billies from 26-39". The biggest billies are found by way of spot and stalk. The hunt will take place between June 1st and December 15th in 2019 or 2020. July and August are the best months for stalk hunting, while the hides are better in October, November, and December months.

Auction Item Price

The hunt is conducted at 7,500-9,000 feet altitude, which is why very few hunters experience altitude sickness. However, good physical conditioning is as important as the Caucasian mountains are famous for being some of the steepest and most dangerous in the world. At times you will find yourself climbing nearly vertical rock. Climbing the steep slopes is the main challenge of this truly adventurous hunt. We will be looking for herds consisting of 100-150 goats in the highlands of the eastern Caucus mountains which can only be reached by foot. Due to the remoteness of the region, animals are generally not spooked and can be found grazing close by. On average, you can expect to see 20-30 goats per day.

Asian Mountain Outfitters offers a unique and adventurous mountain hunting experience in Kyrgyzstan, for one of the most incredible mountain sheep in the world, the majestic Marco Polo. This is actually the Hume Argali, a subspecies of the Marco Polo sheep. The hunt date will be Oct. or Nov. 2019 or January 2020; it is approximately an 8-9 day trip, plus travel. This hunt is conducted on horseback/foot in high elevations (10,000-13,000'). This is not a North American Hunt and hunters need to be prepared for cultural/language differences, long range and sometimes quick shooting (proficient at 500+ yards). Hunt can be upgraded to hunt Marco Polo in Tajikistan for an additional fee.

The climates are similar to the high & dry areas of CO, NM and NV. All Kyrgyzstan hunting licenses and fees are included; however camp staff tips are additional. Most of the hunting areas have a heated house or cabin and if spiking out, the hunter will use backpack style tents. A Mid-Asian Ibex can be added to this hunt for an additional \$5,000.00. Typical sizes for Marco Polo Rams are 44"-52" and Ibex range average 37"-45". Considerably larger animals of both species have been taken. If it is your first trip to Central Asia, we can arrange a Western/English speaking guide to accompany you (price is \$5,000 USD plus all their travel and trip expenses). Make sure to check out Asian Mountain Outfitters website, Kyrgyzstan Marco Polo and Ibex Hunting for more info.

22" barrel, made in 1929  
 Serial #984782 (The model 53 was one of the least produced models that Winchester made)  
 The story behind this rifle is that it was supposedly owned by a Blackfoot Native American from the Blackfoot Indian reservation in Blackfoot, Idaho.  
 The gentleman was born in approximately the 1880's and lived his whole life in that area. The rifle was made in 1929 so it's not known when or where he acquired it. He marked the rifle in the traditional Blackfoot style and hunted with the rifle the rest of his life. He passed away in the late 50's early 60's and the rifle was purchased from one of his grandsons.  
 Typically rifles of this nature and quality are in museums. The opportunity to have one in a private collection is priceless and very rare.

**MULE DEER PAINTING 28” X 36” ORIGINAL ART “EMINENT DANGER” BY CINDY MOORE**

Contact: Cindy Moore  
 403 Springdale Rd.

Eminent Danger is an acrylic on canvas. 28” x 36”

Mule deer are very close to my heart. There are one or two does which stay in our neighborhood to have their babies every year. Watching the fawns grow up and play in your yard is amazing gift. A small herd of mule deer live in my neighborhood during the winter they show up in the late fall and leave in the spring. The deer living in such a close proximity has helped me understand their habits and distinctive movements. I feel capturing the deer in a startled posture helped convey their constant guard against danger.

Contemporary Realism is how I would describe my style. I want to capture the subject by intensifying the colors and patterns to create an essence of energy and vitality within the painting. I want my paintings to be exciting. I want the audience to be excited to learn about the subject, to get to know the painting. The painting should capture the audience from far away and compel them closer to see the details of the subject. You should feel the form, design, perspective and personality of the subject. To feel inspired by the painting. Each color and brush stroke are intended to allow your eye to dance throughout the painting. The use of transparent colors and numerous layers achieve the luminous quality about my paintings; giving it life.

Cindy Moore is an award winning artist in both mediums of watercolor and acrylic paintings. She has painted the mural on the front of Barb’s Main Street gifts and has exhibited her paintings in juried shows all over the country. Her artwork is currently in the Watercolor Gallery in Laguna Beach, California and Sterling Creatives in Sterling, Colorado.

This rare Model 94 has a 26 inch Octagon Barrel and was made in 1900. Serial #194296 Stamped Browning Bros Ogden, Utah

When John Moses Browning sold his newly invented rifle to Winchester, in the contract they agreed that he would be paid part in cash and part in a certain number of rifles so that they would be able to sell a few guns locally out of their store, which Browning hand stamped with their Browning Bros Co. Ogden, UT stamp.

No one knows for sure exactly how many were delivered to Browning before the contract was paid in full, but very few rifles marked in this manner are known to exist today out of the millions of rifles produced.

This is part of local history. The opportunity to own one of these rifles is extremely rare and priceless.

This is a 10-day hunt for wild free ranging Desert Bighorn Sheep in the famed San Francisco mountains where Jack O'Connor loved to hunt these sheep. The hunt will take place from November 5th to March 20th in the 2019 or 2020 seasons. The terrain is steep and rocky in areas as you would expect on a sheep hunt. Three guides will be provided to ensure your success. Amigos Outfitters has 100% success rate on Desert Bighorn Sheep. A previous hunt expo winner harvested a 172" ram on this hunt.

Included in the donation is transportation to and from the hunting area from either Hermosillo, Mexico or Phoenix, Arizona. All accommodations, meals, drinks, hunting licenses, and gun permits are included. Not included are hotel costs in Phoenix or Hermosillo before and after the hunt if needed. Nayo is a biologist and specialist in wildlife management. He is an expert in the field and has been instrumental over the past 30 years in restoring Bighorn Sheep across their traditional range in Sonora, Mexico. He has been guiding for over 20 years and works approximately 300 days a year in the field. Imagine navigating a sportsman’s paradise without worry of licensing or tags and without a limit on the amount of animals you can hunt. Picture yourself stalking wild game through untouched wilderness, guided by people passionate about the outdoors and, most importantly, the thrill of the hunt. Don’t just imagine it ... Experience it!

Spey Creek Trophy Hunting invite two hunters on this 5-day guided rifle or bow hunt at this spectacular private ranch in Kaikoura, New Zealand - an enchanting land consistently winning honors as one of the top international destinations in the world. Spey Creek Trophy Hunting ranch offers an exclusive opportunity to hunt in a free range or naturally controlled environment where you’ll find premium trophies awaiting. Included in your adventure are: first-class accommodations in a luxurious 3,000+ square foot luxury lodge located in the middle of the hunting area, delectable meals, 2x1 guide service, hunt/airport transportation, field prep and one red stag per hunter scoring up to 380”. Your arrival/departure point is Christchurch, New Zealand.

If you are looking to add a LARGE red stag to add to your trophy collection, Spey Creek is the place to hunt! Spey Creek hunters have held the record for the largest stags shot with any weapon for the past several years. Their guests have taken many top ten animals in all four weapon categories.

It’s not all about trophy heads though. Spey Creek Trophy Hunting offers an exceptional experience of both free range and estate hunting on thousands of acres for several different species of all sizes including the majestic red stag, tahr, elk, chamois, fallow buck, South Pacific black faced Arapawa ram, and feral goats and hogs.

Experience their superior trophy hunting lodge in breathtaking Kaikoura - in the South Island of New Zealand. In addition to their fantastic hunting , the small seaside town of Kaikoura is ideally located for sightseeing, activities and adventure. Extra game, non-hunters (\$250 per day) and sight-seeing days may be added to this package at current published rates.

From this English speaking, breathtaking location, the adventures are limitless! Venture into the sea for whale watching, deep sea fishing, scuba diving, snorkeling, surfing and swimming with dolphins, or take in all the land has to offer with activities like bird shooting, helicopter tours, golf, bungee jumping, horseback riding or sampling wine at world-renowned wineries.

Schedule your hunt with Spey Creek Trophy Hunting March-July, 2019 (limited openings available in 2019) or 2020. Quality and customer service is their top objectives at Spey Creek Trophy Hunting. For that reason, they choose not to accommodate a large quantity of hunters each year, as they make it a point to ensure that all of their guests needs are being met.

Their goal at Spey Creek is to create exclusive hunting experiences with memories that will last a lifetime, and they take their business seriously! Bid on this great donation and become one of the many happy members of the Spey Creek Trophy Hunting family!

**BERGARA B-15 HMR 6.5 CREEDMOOR RIFLE**

Contact: David Dibben  
 davedibben@gmail.com • (816) 289-9299

Although there are many rifles on the market today, we wanted to focus on one thing: quality. Our B-14 rifles were inspired by the desire to bring the quality that Bergara was known for in the custom rifle world to production rifles made for all hunters. In the B-14 rifle, you will find a level of craftsmanship that surpasses all of the other production hunting rifles on the market.

The B-14 HMR rifle features our integrated mini-chassis molded into the stock to give the rifle repeatable bedding and accuracy. It also supports a fully free-floated barrel to achieve optimal precision. The Bergara Hunting and Match rifles are built to offer a rifle for both hunters and competition shooters that can perform incredibly in either situation. The stock features an adjustable cheekpiece and length of pull spacers. Built in Spain at our highly automated and efficient barrel factory, this rifle delivers a level of quality and performance that is unmatched in its price range.

The world-renowned Bergara barrel on this long range precision rifle is complemented by our own super-smooth B-14 Action, which is a two-lug system with a sliding plate extractor and a coned bolt nose and breech to ensure a smooth feeding and extraction of the cartridge. It's also outfitted with a Bergara curved trigger we designed to guarantee a crisp, clean pull every time you fire the rifle. The trigger comes set at about three pounds. It has been factory drilled and tapped to fit Remington 700 style rings and bases.

The (#5) Bergara 4140 CrMo steel barrel is finished in matte blue and is available 22 inches in 6.5 Creedmoor, which weighs 9.25 lbs,

A 5-round AICS detachable magazine is standard with our HMR rifle. QD flush cups are included in the stock to allow for easy attachment and detachment of slings. All B-14 rifles are capable of producing sub-1.0 MOA groups or less at 100 yards using factory match grade ammunition.

- Weight: 9.25 lbs 6.5 Creedmoor
  - Overall Length: 41.5" 6.5 Creedmoor
  - Barrel Length: 22" (6.5 Creedmoor),
  - Magazine: AICS Style Detachable
  - Mag Capacity: 5 round mag provided
  - Length of pull: Adjustable from 14.5" at the longest to 13" at the shortest
  - Barrel Taper: No. 5.5

 Booth # 1405

If any rifle defines the 19th century, this is it. This is the genuine Yellow Boy. The original. The authentic. The Winchester Model 1866 epitomizes the winning of the American West. But that is not all. It remains until today as a key example of the American industrial revolution. A revolution that was sweeping the world, changing world history forever. This is the rifle that made Oliver Winchester, one of the great industrialists of the 19th Century, and set him on a path of firearms innovation and manufacturing prowess that became the stuff of legend. The feature list below is rich. Whether for the joy of shooting, for cowboy action shooting or for a special hunting experience, this 1866 is ready.

A real working rifle -- not just for show! This remarkable rifle starts with walnut straight grip stock with a satin oil finish that's velvet smooth to the touch. Features a classic rifle-style forearm with forearm cap for the legendary look and feel of the original Model 1866.

The five license, five species New Mexico Big Game Enhancement Package includes statewide licenses for pronghorn, elk, deer (mule deer or Coues whitetail), Persian (Bezoar) Ibex, and Gemsbok oryx. The SCI World Record Persian ibex (non-native range) is from New Mexico, and the Florida Mountains consistently produce world-class billies. The new Boone & Crockett world record pronghorn was taken in New Mexico in 2013. New Mexico's Rio Arriba county has more mule deer in the Boone & Crockett record book than any county in the United States. New Mexico elk hunting is world renowned and produces 400-class bulls annually. The successful bidder on this package may hunt all five species or barter/trade/sell any license he or she does not intend to hunt. Guide Service: Not included.

Offered by the Mule Deer Foundation. MDF is a 501(c)3 tax exempt charitable organization.

Species:

- (a) Deer: any 1 buck
- (b) Elk: mature bull
- (c) Oryx: either sex
- (d) Ibex: either sex
- (e) Pronghorn: mature buck

Weapon: Any legal weapon

Area:

- (a) Deer: any legally accessible public lands where hunting is allowed and private land with written permission.
- (b) Elk: any legally accessible public lands where hunting is allowed and private land with written permission.
- (c) Oryx: any legally accessible public lands where hunting is allowed and private land with written permission. If the holder of an oryx authorization or license chooses to hunt on White Sands Missile Range (WSMR), they must contact the New Mexico Department of Game and Fish two weeks in advance of proposed hunt start date to schedule access to WSMR and must be accompanied by a badged department employee or WSMR escort.

When it comes to trophy deer, Colorado grows some of the best. Trophy buck mule deer can be found throughout Colorado anytime of the year. Colorado’s eastern plains are home to some exceptional whitetails. September is a good time to catch your trophy still in velvet at or above timberline. Hunt Colorado’s biggest mule deer in November during the rut. Whatever your choice, you will not be disappointed with the quality and quantity of Colorado’s mule deer. Offered by the Mule Deer Foundation. MDF is a 501(c)3 tax exempt charitable organization.

Area: Statewide (seasonal and localized closures apply) See Colorado Proclamation.  
 Dates: An auction or raffle deer license is valid in all units that are open to the hunting of deer in Colorado and entitles you to take one mule deer. The deer license is valid on a unit-by-unit basis from the beginning of the first open deer season in the unit in the unit until November 30th. Once a deer season of any method of take has opened in a unit, you can hunt using any legal manner of take (i.e. rifle, muzzleloader, archery) until you harvest a deer or until November 30th.

This mule deer hunt takes place on the Kaibab Indian Reservation on the Arizona Strip. The reservation is located on the Arizona-Utah border, in northernmost Arizona. By tribal tradition, it’s where the Paunsaugunt and Kaibab deer herds meet. The hunter will arrive Sunday in Kanab Utah and the 5-day hunt will begin on Monday and conclude on Friday. The hunter and one (1) guest (in one room) will stay in Kanab Utah for six nights, Sunday through Saturday with meals provided.

This hunt is very exclusive because the tribe allows approximately 15 non-tribal member hunters per season. A tribal guide will be provided for the five hunt days and traditional lunches will be provided daily while you're out. We will also provide transportation daily, if necessary. As a memento of your hunt on the Kaibab Indian Reservation, you will also have a custom pair of deer hide moccasins made especially for your feet. \*\* Proceeds to benefit tribal veterans \*\*

5-day Hunt between approximately November 24, 2019 - December 15, 2019  
 Cost of Extra Guest: \$400

Proceeds from the sale of this tag go to Wyoming Wildlife - The Foundation and will be designated toward projects that directly benefit the species from which the tag originates. The license is valid in any hunt area in accordance with Commission regulations, except the following:

A WY Governor Moose license shall not be valid in any moose hunt area which has a total quota of ten (10) or less antlered, or any moose licenses. The 5-year waiting period is waived for recipients of the WY Governors moose license. In addition, preference points will not be lost by the recipients of a WY Governors moose license. The recipient of the WY Governors moose license will receive an application form, which must be returned for the issuance of the license. This form cannot be copied. There is no deadline to submit the application and license fee. However, it is recommended to allow two (2) weeks to process and return the license prior to your intended hunt. Once the license is issued, the license cannot be cancelled or transferred to another individual. The authorization for this license will expire December 31, 2019 and cannot be carried over into another year. Hunters are also required to purchase a conservation stamp prior to hunting big game in the state of Wyoming. Offered by the Mule Deer Foundation. # TAKE THE LONG WAY AROUND

## Rev up on the longest ATV trail system in America

The high country of central Utah boasts mountain lakes stocked with trout, aspen forests that turn gold in the fall ... and the most extensive network of ATV and OHV (Off-Highway Vehicle) trails in the nation. The Paiute Trail system is over 900 miles long, with additional 50- and 60-inch side trails in excess of 2,000 miles. Driving the primary trail nonstop takes about 25 glorious hours. But why rush through? Beautiful campgrounds dot the trail, or ride into little towns along the way if the comfort of a real bed and a hot shower is more your style. However you add it up, you'll find an epic off-road adventure in Utah.
