WELCOME SPORTSMEN AND SPORTSWOMEN!

Welcome to the 14th Annual Western Hunting & Conservation Expo!

The Mule Deer Foundation (MDF) and Sportsmen for Fish & Wildlife (SFW) have once again teamed up to bring you, our guests, the most exciting and unique hunting and conservation opportunity all neatly packed into one big show. Your attendance and purchases help ensure the conservation of our wildlife, wild lands and the future of our hunting and sporting heritage. Thank you for joining us.

We are proud of how the Expo has grown the past 14 years to become one of the premier “must attend” hunting and conservation events globally. The 2020 Expo promises to be spectacular! Our four-day event features over 500 exhibitors offering the finest guides, outfitters, professional hunters, artists, taxidermists, jewelers, furriers and purveyors of custom firearms, knives, optics, clothing and sporting equipment for the discerning sportsman and sportswoman.

We invite you to peruse, enjoy and purchase from our outstanding exhibitors and attend our informative seminars from industry pros. Our world-class banquets feature Friday night keynote speaker U.S. Navy SEAL, Lieutenant Commander, (Ret.) Author of *The Terminal List*, *True Believer*, and *Savage Son*. Saturday night keynote speaker U.S. Interior Secretary David Bernhardt. Our evening entertainment will not disappoint. We are happy to announce on Thursday evening, the hardest working band in Country Music, Little Texas. On Saturday evening you can settle in with one of Country Music’s best Chris Janson. Our legendary auctions – in addition to hunts, trips, art and gear – include over 50 state, provincial and tribal permits; more than anywhere on earth. Ladies can look cool, act cool and be cool at the Fabulous 50’s Ladies Luncheon midday on Friday complete with silent auction, fantastic drawings, exciting games and great prizes!

As an attendee, you have the exclusive opportunity to enter drawings for 200 premier Utah big game tags including, bighorn sheep, desert sheep, mule deer, elk, bison, antelope, black bear, cougar, moose and mountain goat. Five once-in-a-lifetime tags are featured FOR NON-RESIDENTS ONLY – Moose, Desert Bighorn Sheep, Rocky Mountain Bighorn Sheep, Bison and Mountain Goat. Stop by the Utah Tags Registration counter in Room 250 for your chance to have your name drawn for one of these premium-limited tags.

The Western Hunting & Conservation Expo is made possible only by the generous support of our corporate sponsors, exhibitors, donors, members, and guests. On behalf of our collective board of directors and staff, we thank you for your support, patronage and attendance. Enjoy the Expo!

AUCTION & PURCHASE ITEMS TERMS & CONDITIONS

The Western Hunting & Conservation Expo (WHCE) is organized to benefit wildlife conservation in conjunction with the Mule Deer Foundation (MDF) and Sportsman for Fish & Wildlife (SFW) by generating funds through the auction of items donated by individuals and companies. SFW and MDF are non-profit charitable organizations organized under section 501(c)(3) of the Internal Revenue Service code.

1. Auction Bidders - Any bid made at a WHCE Auction, whether in person at a live auction, online, by telephone, or at a silent auction, constitutes an unconditional offer to buy the item in question at the price bid. A person who bids on behalf of another person or group will be ultimately held responsible for payment in its entirety, though such person may seek restitution of such from third parties.

2. Winning Bids - Unless a higher and subsequent bid is made, your bid creates a binding contract of purchase and obligates you to sign the Auction Receipt. In the case of a telephone bid, authorizes your authorized representative who made the bid to sign on your behalf. In the event that the successful bid was made by telephone, the bid price must be paid and received by either MDF or SFW, whoever offered the item for auction, prior to the close of the auction, unless other arrangement have been made (see #8).

3. All Sales Final - The auctioneer has the final authority on the amount paid for an item and/or the identity of the purchaser of the item. Auctioneers and spotters will make every attempt to acknowledge all desired bids, but WHCE, SFW and MDF are not responsible for any missed bids or bids that fail to be executed.

4. Auction Receipt - The Auction Receipt will be brought to you or your representative for signature immediately after your winning bid. A binding contract is formed by your bid and formalized by signing of the Auction Receipt. This binding contract requires that the bid amount be paid prior to the close of the auction unless other arrangement have been made (see #8). Participation in the auction and/or signature on the Auction Receipt, Silent Auction Bid Sheet or other Bid Form guarantees that the purchaser has read and understands these Auction Terms and Conditions and that the purchaser agrees to be legally bound by all terms, conditions, rules and regulations in relation to the auction and the auction item.

5. Full Responsibility of Purchaser - It is the Purchaser's Responsibility to Contact the Donor no later than 30 days after the auction Regarding Purchased Items, Services or Hunts to discuss the scheduling of their hunt or fishing trips. Dates and times for applicable items are to be used when indicated. In the absence of designated dates and times, the same are to be arranged at the mutual convenience of the donor and winning bidder/purchaser. It is the responsibility of the successful bidder, in a proper and timely manner, to apply and pay for all required tags and licenses on any hunting or fishing trip auctioned. WHCE, SFW and MDF is not, and will not, act as a conduit or go between with respect to the purchaser and donor.

6. No Warranties or Guarantee on Goods or Services - All goods, services, hunts or otherwise in the live and silent auctions and fund-raising areas have been acquired for and are to be furnished by or obtained from third parties. The purchaser acknowledges that the goods have not been inspected by WHCE and it is advised in the case of Jewelry, firearms, knives, bullets, and/or other weapons to obtain a competent inspection

and test of the goods before use. The goods sold in both the live and silent auctions are sold "As Is" with all faults and defects, and without any express or implied warranty on the part of WHCE, MDF or SFW. WHCE, MDF and SFW do not accept any liability or responsibility for any product, design or use. Any written warranties on the goods delivered to the high bidder are those solely of the manufacturer, and /or their agents, and shall be the sole liability and responsibility of the manufacturer. No services in the live auction are to be or will be performed by WHCE, MDF or SFW. WHCE, MDF and SFW shall bear no responsibilities for the delivery or quality of any of the services, or for any loss or damages arising from or related to or connected with the performance or non-performance of such services.

7. Hold Harmless - There will be no exchanges or refunds in any item. Although WHCE, SFW and MDF have made every effort to ensure the quality of donated hunts and trips, WHCE, SFW and MDF cannot and does not guarantee the satisfaction of either the donor or the purchaser. Purchaser agrees to hold WHCE, SFW and MDF harmless regarding any dissatisfaction or failures by donor to fulfill purchases. WHCE reserves the right to add items to the auctions as additional donations become available.

8. LIVE AUCTION PAYMENT SCHEDULES

All auction items, \$10,000 or less, MUST be paid for by the close of the event where purchased. Payments will be taken at the Auction Payment Table during the Friday Day Auction, Friday Night Banquet, Friday Ladies Lunch and Auction and Saturday Night Banquet. Payments can be made by cash, check, Visa, MasterCard, Discover Card and American Express. A credit card must be on file to hold any item over \$10,000 and cash or check will be expected no later than February 27th. Arrangements for item pick-up can be made at the time of payment. Any items left in the inventory, either unpaid, or uncollected, will be taken to Mule Deer Foundation Headquarters or Sportsmen for Fish & Wildlife Headquarters and shipped at the purchaser's expense. We ask that you pay for State Tags with cash or check.

****A 3% buyers premium will be added to all State Tag items paid for with a credit card. No buyer's premium will be added when paying with cash or check.**

CLAIMING AUCTION ITEMS PURCHASED

An Auction Runner will bring the sales receipt to the table of the winner for signature immediately upon winning the bid. As mentioned above, the sales receipt formalizes a binding contract made at the time of your bid. The Auction Volunteer Team will be available in each auction to assist you in obtaining your item.

SPECIAL CONDITIONS REGARDING FIREARMS

Before taking possession of your purchased firearm, the gun must be registered in compliance with all federal, state, and local firearms laws. The procedures for claiming your firearm are as follows:

1. Upon winning/purchasing the firearm you must complete FFL Form #4473. Forms will be given to the winner at the time of purchase. Make sure you read the form carefully before signing.
2. Please complete the form promptly and return the completed form to the FFL Dealer. A non-refundable processing fee is required.
3. Please see the FFL Dealer to make arrangements to claim your firearm once your background check is completed and approved.
4. Out-of-state transfers will be sent to the winner's local FFL of their choice.

FFL Dealer Information:

Mule Deer Foundation
Ray Crow
1939 South 4130 West Suite H
Salt Lake City, UT 84104
888-375-3337

****Please Note:** Anyone who purchases or draws a firearm and fails to pass a background check will automatically donate the firearm back to the Mule Deer Foundation (MDF) or Sportsman for Fish & Wildlife (SFW) or whomever sponsored the item. The donated rifle will then be given or sold at the banquet or auction, if possible. A tax deduction slip will be issued to the donor.

Here is your chance to take a “Monster” Pronghorn! Colorado is home to an estimated 80,000 pronghorns, with a buck to doe ratio of 50:100. Your odds at harvesting a trophy buck are exceptional. Come join us for late summer and fall in Colorado for the chance of a lifetime at a Colorado trophy pronghorn. Offered by the Mule Deer Foundation. MDF is a 501(c)3 tax exempt charitable organization.

Area: Statewide in units open to pronghorn hunting (seasonal and localized closures apply)
 Weapon: Weapon of choice (bow, muzzleloader or rifle)
 Pronghorn season dates: An auction or raffle pronghorn license is valid in all units that are open to the hunting of pronghorn in Colorado and entitles you to take one pronghorn of either sex. The pronghorn license is valid on a unit-by-unit basis from the beginning of the first open pronghorn season in the unit until December 31st. Archery season will be August 15 to August 28 and then any legal weapon (i.e. rifle, muzzleloader, archery) may be used from August 29 through December 31. This means you can hunt with a rifle prior to the regular rifle season which starts in October.

CANADA TRAPLINE ADVENTURE OFFERED BY GROAT CREEK OUTFITTERS

Groat Creek Outfitters
 Trent Packham
 PO Box 1325 • Whitecourt, Alberta T7S1P2
 (780) 779-5280 • hunt@groatcreekoutfitters.com
 Booth #3345

An exciting 5 day trapline adventure in Whitecourt, Alberta Canada, for one person. Once you get settled into the lodge we will get right to checking a working trapline. Different areas of the trapline are checked daily from mid November to late March. You will have an opportunity to trap a variety of different furbearers including: Marten, Fisher, Lynx, Beaver, Muskrats, Otter, Fox, Coyote, Weasels, Squirrels and Wolves. We will build and prepare our own snares and learn a variety of trapping methods for different species, as well as learn how to choose and lay out bait sites and snare locations for wolf and coyote. We will be processing a variety of different animals (dependant on what we catch) from skinning and fleshing to boarding and finishing. We usually take one day and call for coyotes as well. If the opportunity arises to call or shoot a wolf there is a trophy fee on wolves (\$1500 USD).

2020/2021 Season dates are from Nov 1 to March 31st
 Successful bidder must buy wolf/coyote license approx. \$100 cad
 The arrival and departure point for this hunt is Whitecourt, Alberta, . The nearest airport is Edmonton, approx. 2 hr drive.
 All lodging and meals (except alcohol) are provided during your stay.
 Additional hunters may be added for \$3500/hunter.

Colorado is home to the largest elk herd in the United States, with 290,000 elk, we are bound to have some exceptional bulls. Several trophy elk units in Colorado are taking over 20 years to draw a license. Here is your opportunity to get past the crowd, jump to the head of the line and harvest a great bull elk. Colorado is home to many Boone & Crockett or Pope & Young qualifying animals. Come hunt the high country during the rut or wait and catch the animals moving to winter range. Take advantage of this opportunity to visit Colorado and harvest the bull of a lifetime! Offered by the Mule Deer Foundation. MDF is a 501(c)3 tax exempt charitable organization.

Area: Statewide (seasonal and localized closures apply)
 Dates: An auction or raffle elk license is valid in all units that are open to the hunting of elk in Colorado and entitles you to take one elk of either sex.
 The elk license is valid on a unit-by-unit basis from the beginning of the first open elk season in the unit until December 31st. Once an elk season of any method of take has opened in a unit (archery season), you can hunt using any legal manner of take (i.e., rifle, muzzleloader, archery) until you harvest an elk or until December 31st. That’s right, you can hunt starting Sept 2nd with a rifle and continue hunting when no other hunting seasons are open and before rifle regular rifle seasons start.

- Receiver C-Ring to barrel breech face, the threads and the receiver face to the barrel shoulder.
- Right or left hand models

Bottom Metal:

- All actions include one piece bottom metal for a better lock in the stock

Gas Vent System:

- All receivers incorporate a 5-vent gas system which push gases away from the shooter’s face for superior safety in case of catastrophic failure

Classic "Adjustable" Triggers:

- Winchester M70 Pre-64 trigger, functions in any environment. Trigger & Sear assemblies are manufactured using an EDM process that maintains design geometry to within .00003"

Optic Mounts:

- Drilled & tapped for Winchester M70 Post-64 Classic two piece base

Bolt Features:

- Antil-bind feature which utilizes a dovetailed lug and raceway, provides precise retention of the bolt within the receiver bore
- Re-engineered "Push Button" bolt release system for simplified bolt removal and one-handed operation.
- The bolt sleeve incorporates a Mauser style ejector vs. the push feed ejectors that always have pressure on the cartridge
- Designed to incorporate the Mauser 98 style inner collar ring that includes an extractor cut- This feature not only increases the overall strength of the action, but also allows for the elimination of extractor cuts and cone breeching within the barrel
- 3-position safety found on the Winchester Model 70
- This is one of the most popular safeties today, and by far the safest
- Retains the claw extractor and controlled round feed capabilities

100% of the donation will go to the MDF National Endowment Fund.

Aoudad (Barbary Sheep) hunting can be a tough, yet rewarding adventure. Our goal at HWO is to give clients/guests the trophy and hunt of a lifetime. HWO has access to multiple private ranches in West Texas, with huntable acreage totaling over 500,000 acres of free-range sheep paradise! Our guides are well experienced in the field, and will give nothing short of their best. In the last several seasons we have pulled off a stunning 100% shot opportunity on Rams averaging 30+”, which is quite an accomplishment in this rough terrain. HWO has 3 rams in the top 10 of the “Free Range” category, harvested by Jimmy Matthews (39 2/8), CJ Sibert (37 1/8), Clint Hughes (36 7/8).

For traveling, the nearest commercial airports will be El Paso or Midland (Depending on the ranch we hunt). Once landed, you will rent a car and drive to the agreed meeting location. Your guide will then lead you out to the hunting grounds safely. Your travel time from El Paso or Midland to the ranch will be anywhere from 100-200 miles.

Included in Hunt: Trophy fees, Full Guide Services, Field Care of Animal
 Special Transportation - Arrive day before first hunt date/ depart day after last hunt date
 Dates: 2020 To be Determined

After announcing our move to Wyoming, we immediately started receiving requests for the first Mark V’s stamped “Sheridan, WY”. The demand for these new rifles served as the catalyst for the development of our Wyoming Commemorative. We saw this historic move to the Cowboy State as an opportunity to make a limited rifle set that would showcase the Weatherby quality and craftsmanship while boasting our new location at the foot of the Bighorn Mountains in beautiful Sheridan, Wyoming. The Wyoming Commemorative Silver Rifle has specific differences to its brother the Gold Rifle. The most valuable difference will be the WY serialized receivers have a higher range starting at WY000501. This rifle has serial number WY000588. Also, the Silver edition will have no gold inlay, no barrel bands, and has a AAA Fancy French Walnut stock vs. The Golds Exhibition grade. We truly believe these rifles will be a collector’s piece that will be admired for generations to come.

2020 OR 2021 KYRGYZSTAN MARCO POLO HUNT

Bryan Martin (250) 317-5525 bryankmartin@gmail.com
 Booth #1025

Asian Mountain Outfitters offers a unique and adventurous mountain hunting experience in Kyrgyzstan, for one of most incredible mountain sheep in the world, the majestic Marco Polo. This is actually the Hume Argali, a subspecies of the Marco Polo sheep and the hunting season is September, Oct and November. Hunts are approximately 6-8 days of hunting, plus travel. This hunt is conducted on horseback/foot in high elevations (11,000-13,500'). The drive to hunting camp is 8 to 13 hours, depending on weather and camp location. This is not a North American Hunt; hunters need to be prepared for cultural/language differences, long range and sometimes quick shooting (proficient at 500+ yards). The climates are similar to the high & dry areas of CO, NM and NV. All Kyrgyzstan hunting licenses and fees, based on current government prices are included in the hunt; any unforeseen fee increases are to be paid by the client; The hunter is responsible for the flight to and from Bishkek via Turkish Air/Istanbul, Airport VIP service, meals and lodging while in Bishkek (usually 2-3 nights), extra baggage fees for taking home skin/skull or shipping of trophies home and staff tips (clients will be provided with Tip suggestions). The win-

ning bidder will have their name submitted to the USFWS, so that they will get a USFWS CITES import permits. The U.S. CITES application with USFWS opens May 1st of each year and costs \$100.00. Most of the hunting areas have a heated house or cabin and if spiking out, the hunter will use backpack style tents. A non-hunting companion is \$2,500. If space is available for an additional hunter, the price is \$30,000 for one Marco Polo. A Mid-Asian Ibex can be added to this hunt for an additional \$5,000.00. Typical sizes for Marco Polo Rams are 47"-52" and Ibex range average 38"-46", but larger animals of both species have been taken. Hunters can sometimes take the trophy(s) home in checked luggage if skins are dried enough, but most of our hunters have them shipped via DHL, Fed Ex or Turkish Air Freight and cleared, using a Wildlife import broker. The hunt is to be taken during the current year's hunting season, but arrangements can be made to postpone hunt until future years (with approval from Asian Mountain Outfitters; and if Govt. fees increase, hunters pay this increase). Asian Mountain Outfitters works with partners in several different hunting areas: both the Naryn and Issyk-kul Regions and can also arrange Karalini (Tien Shan) for non-USA Hunters. Our Managers/partners will meet clients at airport and assist in all aspects of the hunts. The best local guides typically do not speak English, but are skilled hunters and horsemen. If it is your first trip to Central Asia, we can arrange a Western/English speaking guide to accompany you (price is a minimum of \$5,000 USD plus all their travel and trip expenses). Hunters who elect to hunt with just the local guides need to be able to assist in trophy judging & oversee the skin preparations. The best attitude is to go prepared as if it is a Self-guided hunt, combined with local guides. This hunt can be upgraded to a Tajikistan Marco Polo, with the hunters playing the difference in price between the two. Bryan Martin, founder of Asian Mountain Outfitters, has conducted seminars at various conventions about equipment, shooting and what should be expected on such hunts. He has outfitted in Canada since 1999 and in Central Asia since 2002 and has personally been on many successful Marco Polo/Ibex hunts, spending over 3 months each year in Central Asia, to insure AMO is very knowledgeable regarding all aspects of the hunts. Make sure to check out the Asian Mountain Outfitters website for additional information and videos on this hunt and many others they offer in Tajikistan, Mongolia, Azerbaijan, Nepal, Pakistan, Turkey, Russia, Spain, Canada and Romania.

These reins were made over 100 years ago and were made out of horsehide. The reason that they used horsehide back then is because horsehide is thinner and easier to use than cowhide. Cowhide has to be split. The rosettes on the sides of the headstall are old silver coins dated 1908 and 1916. If you are a collector of old western memorabilia, this would be a great addition to your collection.

The package includes meals, lodging in BnB, guide service, transportation from and back to airport. This hunt takes place in the foothills of Southern Alberta Canada. We are just north of Watertown Lakes National Park. We hunt spot and stalk. All hunting is done via foot access. These hunts are 100% successful on trophy mule deer. Our deer are all averaging over 170 B&C and lots of deer in the 180 to 190 class. This hunt takes place at about 4,000 to 6,000 feet. There is a lot of glassing and stalking. Hunter will see in excess of 50 deer per day and usually resulting in at least a couple good stalks per day. Hunt temperatures are usually in the mid 60s to low 70 in the day and in the 40's at first light. Our guides are skilled archers and we know the ins and outs of bow hunting. Our guides are all bow hunters themselves and know what it takes to harvest a genuine trophy. Food is home-made with good lunches, snacks etc. Good people and terrific trophies.

The recipients of these licenses must designate the specific hunt area in which they want the license issued. The recipients of these licenses must pay the full price for the license.

The recipient of the commissioner license authorization may only transfer the license authorization to another person if no additional consideration above the bid or raffle price is paid by the transferee. The recipient of the license authorization may donate the license authorization back to the nonprofit charitable organization that originally bid the license authorization to be rebid to a new highest bidder. Once the actual license is issued, it cannot be cancelled or transferred.

All big game licenses authorized under this section are valid for a specific region or hunt area as designated by the applicant at the time of application for license issuance. The specific region, or hunt area, or type shall not be changed following the issuance of the license by the Department.

Holders of commissioner licenses shall be exempt from Commission regulations limiting the number of licenses an individual can possess in any one calendar year.

TAKE THE LONG WAY AROUND

Rev up on the longest ATV trail system in America

The high country of central Utah boasts mountain lakes stocked with trout, aspen forests that turn gold in the fall ... and the most extensive network of ATV and OHV (Off-Highway Vehicle) trails in the nation. The Paiute Trail system is over 900 miles long, with additional 50- and 60-inch side trails in excess of 2,000 miles. Driving the primary trail nonstop takes about 25 glorious hours. But why rush through? Beautiful campgrounds dot the trail, or ride into little towns along the way if the comfort of a real bed and a hot shower is more your style. However you add it up, you'll find an epic off-road adventure in Utah.

Imagine navigating a sportsman's paradise without worry of licensing or tags and without a limit on the number of animals you can hunt. Picture yourself stalking wild game through untouched wilderness, guided by people passionate about the outdoors and, most importantly, the thrill of the hunt. Don't just imagine it ... Experience it!

Spey Creek Trophy Hunting invite two hunters on this 5-day guided rifle or bow hunt at this spectacular private ranch in Kaikoura, New Zealand - an enchanting land consistently winning honors as one of the top international destinations in the world. Spey Creek Trophy Hunting's ranch offers an exclusive opportunity to hunt in a free range or naturally controlled environment where you'll find premium trophies awaiting. Included in your adventure are: first-class accommodations in a luxurious 3,000+ square foot luxury lodge located in the middle of the hunting area, delectable meals, 2x1 guide service, hunt/airport transportation, field prep and one red stag per hunter scoring up to 400". Your arrival/departure point is Christchurch, New Zealand.

If you are looking to add a LARGE red stag to add to your trophy collection, Spey Creek is the place to hunt! Spey Creek hunters have held the record for the largest stags shot with any weapon for the past several years. Their guests have taken many top ten animals in all four weapon categories. It's not all about trophies though. Spey Creek Trophy Hunting offers an exceptional experience of both free range and estate hunting on thousands of acres for several different species of all sizes including the majestic red stag, tahr, elk, chamois, fallow buck, South Pacific black faced Arapawa ram, and feral goats and hogs.

Experience their superior trophy hunting lodge in breathtaking Kaikoura - in the South Island of New Zealand. In addition to their fantastic hunting, the small seaside town of Kaikoura is ideally located for sightseeing, activities and adventure. Extra game, non-hunters (\$250 per day) and sight-seeing days may be added to this package at current published rates.

From this English speaking, breathtaking location, the adventures are limitless! Venture into the sea for whale watching, deep sea fishing, scuba diving, snorkeling, surfing and swimming with dolphins, or take in all the land has to offer with activities like bird shooting, helicopter tours, golf, bungee jumping, horseback riding or sampling wine at world-renowned wineries.

Schedule your hunt with Spey Creek Trophy Hunting March-July, 2020 (limited openings available in 2020) or 2021.

Quality and customer service is their top objectives at Spey Creek Trophy Hunting. For that reason, they choose not to accommodate a large quantity of hunters each year, as they make it a point to ensure that all of their guests' needs are being met.

Their goal at Spey Creek is to create exclusive hunting experiences with memories that will last a lifetime, and they take their business seriously!

Bid on this great donation and become one of the many happy members of the Spey Creek Trophy Hunting family!

This Gun/Scope/Hunt combo was originally pulled together for the 2019 WHCE working with John Snow, Firearms Editor for Field & Stream and Outdoor Life, following a similar experience John had undertaken in 2018 in partnership with the Mule Deer Foundation. This wonderful experience has now taken on a life of its own. MDF is proud to again offer this adventure along with the original sponsors of this unique experience. Specifically, we'd like to thank Weatherby, ZEISS and Rolling Bones Outfitters for their continued support of "The John Snow Experience" and the Mule Deer Foundation.

Hunt:

This year, the hunt provided by Rolling Bones Adventures will be a 5-day fully guided and outfitted rifle hunt will take place in 2020 in the Powder River region of Montana the first week of November. Meals and lodging included. Hunter is responsible for general deer tag cost of \$625. Rolling Bones Outfitters will handle application process with auction winner, and they will receive a one-year membership to Rolling Bones which includes: Hunt the West Magazine, Personalized Hunt Plan, Unlimited Applications, Unlimited Concierge Service, Vetted Outfitters Hunts, and Discount Hunt Specials. The Citori is more than a shotgun, it is the quintessential representative of the quality of the Browning brand. Wood-to-metal fit is paramount on the Citori and with tight, consistent junctions it doesn't disappoint. Action components are machined to exacting tolerances, heat-treated for greater strength and fitted using the traditional lampblack-and-file method to ensure the precise fit of critical components prior to being assembled to the action. It is this extreme level of craftsmanship that leads to the dependable function, impeccable looks, championship performance and respect from both Citori owners and the competition alike.

We challenge you to take any Citori from the rack and you'll see the same high level of fit and finish on every gun. Open and close the action and throw it to your shoulder. Sight down the barrels. Only then will you fully understand why the Citori has gained its reputation as the finest over and under shotgun available in the world.

Sweeter than maple syrup. And that is pretty sweet. The look of a Model 70 with a AAA Maple stock, embellished with classic ebony tip, along with a shadowline cheekpiece is hard to resist. Maple may seem retro to some, but this is beyond retro -- is there such thing as a neo retro? It looks better than any Maple-stocked rifle before. Take it to the range and get the surprise of your life. You will be surrounded by admirers. But it is not just a show gun, it shoots very, very well. With its M.O.A. trigger system and solid Pre-64 action it is a tack driver that can take tough hunting in stride. You have wanted one of these for a long time. Put one on your list and make it happen.

- ♦ RECEIVER – Steel; Polished blued
- ♦ BARREL – Hammer forged steel; Polished blued finish; Free-floating; Target crown
- ♦ ACTION – M.O.A. Trigger System; Pre-64 action; Three-Position Safety; Controlled Round Feed; Controlled ejection
- ♦ STOCK – Gloss finish AAA Maple; Ebony forearm tip; Shadowline cheekpiece
- ♦ FEATURES – “Super Grade” engraved hinged floorplate; Jeweled bolt body; Knurled bolt handle; Pachmayr Decelerator recoil pad; Sling swivel studs

NEW MEXICO SPECIAL ELK LICENSE

New Mexico Department of Game and Fish
Contact: Nicole Tatman
www.wildlife.state.nm.us
nicole.tatman@state.nm.us
(505) 476-8035

New Mexico is famous for its trophy-class Rocky Mountain elk. The lucky hunter will have the opportunity to harvest a trophy class bull in the game management unit of his or her choice using any legal weapon, regardless of the season. New Mexico has continued to manage elk herds for quality and trophy bulls. With about 90,000 elk in the state, several game management units consistently produce some of the largest bulls in the country with some approaching or exceeding 400 inches every year. Proceeds from the permit sale will benefit elk in New Mexico.

Offered by the Mule Deer Foundation. MDF is a 501(c)3 tax exempt charitable organization.

- ♦ Weapon: any legal weapon
- ♦ Species: bull elk
- ♦ Dates: September 1, 2020 – January 31, 2021
- ♦ Area: statewide on any public land open to hunting, including Wildlife Management Areas and private land with written permission
- ♦ Guide service: not included

 This carbine is a little different because the stock is made of gumwood instead of walnut. Reason being was that around World War I, there was a shortage of walnut. These saddle rings are becoming very desirable, and for a 92 year old gun it’s in very good condition.

The Zuni Tribe of New Mexico is providing an opportunity to hunt the Zuni Indian Reservation (446,000 acres) for a trophy bull elk during the peak of the rut. This fully-outfitted hunt includes one-on-one guide service, field transportation, and room and board at a local bed & breakfast inn. This area is prime elk country with elevations ranging from 6,200-7,800 feet. Rugged canyons, mesa tops and flat sandy hills provide excellent but remote cover for these trophy animals. 2017 hunts harvested 387, 380, 377 and largest bull ever harvested 423 (2007). This is a fabulous opportunity to hunt the gorgeous mesas and forests of western New Mexico while enjoying the warm hospitality of the Zuni people.

Hunt Dates: September 21 - 27, 2020 (arrival in Zuni, NM on September 20/departure September 28, 2020)

“Drop Zone”

I’m not pandering in the least when I say that, as a wildlife artist born and raised in southeast Idaho, my favorite subject matter has always been mule deer. Many of my choicest memories involve chasing these marvelous animals in the foothills and high country with rifle, bow, muzzleloader, and camera. In creating this piece for the MDF my hope was to capture something exciting and nostalgic for those who, like me, love this animal and, in particular, have an affinity for observing them during the rut. My decision to produce this in a black and white format (using only Ivory Black and Titanium White in my palette) stemmed from a desire to give this piece a unique twist. I don’t see a lot of black and white oil paintings out there and hoped that would make this something of a rarity in the realm of mule deer art.

Three Forks is a beautiful dark palomino mare mule that is 11 years old and 15.1 hands tall. She weighs approximately 1100 pounds. She has been used in our outfitting business for the past 6 years, performing all kinds of duties from packing big game to carrying our guests and she is also a great mule to lead large strings of pack mules with.
 Three Forks is absolutely gentle as a dead pig, good to shoe, she is a great people mule and will catch you wherever she sees you.
 Three Forks is a mule that you can use to get the job done and look good doing it.

THE NORTH RIM EXPERIENCE: A VACATION AND BISON HUNT OF HISTORIC SIGNIFICANCE

Arizona Game & Fish Department
 5000 W. Carefree Highway
 Phoenix, AZ 85086
 www.azgfd.com
 (623) 236-7349

Pheasants Forever/Quail Forever

 St. Paul, MN 55110
 aeiden@pheasantsforever.org

Bring a friend and hunt the iconic Bison at one of 3 free ranging bison herds in the lower 48 states (the House Rock Herd). You will hunt bison on the North Kaibab National Forest, which was originally protected by President Theodore Roosevelt as the first big game preserve to protect the mule deer herd that lives on the Kaibab Plateau. While you are hunting, your spouse and/or friends can enjoy the natural beauty of the Grand Canyon, take in the educational activities hosted by the Park Service, learn about the history of the area, and even hike to the Colorado River if you want. The Grand Canyon lodge is listed as a landmark on the National Historic Register and offers restaurants, shopping, and of course views of one of the seven natural wonders of the world.

If you are not successful on your hunt on the Kaibab, you will get a second chance at your bison on the Raymond WMA. This hunt is a little more controlled, but the likelihood of you getting your bison is nearly 100% as the AZ Game and Fish Department staff at the WMA will assist you in finding bison on the WMA.

What is included:

A once in a lifetime bison tag good for a calendar year and is valid for hunting either of the two bison herds in Arizona. The House Rock herd lives on the north rim of the Grand Canyon National Park and the North Kaibab National Forest. This would be the first bison herd you will be hunting. If

you are not successful you will hunt the Raymond WMA herd, which is a high success hunt where the population is located about 40 miles southeast of historic Flagstaff, AZ.

6 Nights stay in an historic cabin (sleeps up to 6 people) located at the Grand Canyon Lodge at the North Rim of Grand Canyon National Park, and to close out your experience you have 2 nights stay in downtown Flagstaff.

Assisting you and your companion on your Arizona adventure will be the West Region Director for PF/QF who lives in Arizona. He will provide you with recommendations on a guide if you choose to use a guide. If you want the do it yourself experience he will help you plan your hunt to time your hunt to ensure you are the only person hunting bison while you are in Arizona, recommendations on how to hunt this bison herd, and provide some insight on spots to find your bison. He will also provide your guests with recommendations on hikes, day trips, and coordinate with AZ Game and Fish on your behalf if you decide to hunt the Raymond Ranch herd after your North Rim Experience.

Colorado has 433,000 deer and when it comes to trophy deer, Colorado grows some of the best. Trophy buck mule deer can be found throughout Colorado. Colorado's eastern plains are home to some exceptional whitetails. September is a good time to catch your trophy still in velvet at or above timberline. Hunt western Colorado's biggest mule deer in November during the rut. Whatever your choice, you will not be disappointed with the quality and quantity of Colorado's mule deer. Offered by the Mule Deer Foundation. MDF is a 501(c)3 tax exempt charitable organization.

Area: Statewide (seasonal and localized closures apply) See Colorado Proclamation.
 Dates: An auction or raffle deer license is valid in all units that are open to the hunting of deer in Colorado and entitles you to take one deer of either species. The deer license is valid on a unit-by-unit basis from the beginning of the first open deer season in the unit in the unit until November 30th west of Interstate 25 and December 31st east of I-25. Once a deer season of any method of take has opened in a unit, you can hunt using any legal manner of take (i.e. rifle, muzzleloader, archery) until you harvest a deer. Yes, you can hunt with a rifle during the archery season and when no other regular seasons are open.

If you are the lucky buyer of this permit, you are one of the few hunters to possess a brown bear drawing permit for Unimak Island in Game Management Unit 10. Unimak Island is as far west as brown bears (and several other species including, wolf and wolverine) can be found. The management objective for brown bear hunting on Unimak Island is to keep hunter numbers low to ensure a high quality wilderness experience with a reasonable chance for selective hunting. A non-resident locking tag for wolves is not required. Land along the eastern shore of the island is owned by the Isanotski Native Corporation, and permission for hunting on this private land should be sought from the Corporation. The rest of Unimak Island is federal land open to public hunting and managed as wilderness by the U. S. Fish and Wildlife Service. You are required to check in (in person or by phone) with Izembek National Wildlife Refuge headquarters in Cold Bay (P.O.Box 127, Cold Bay, AK 99571; Ph. (907) 532-2445). They can provide more detailed information on the island, allowable means of access, etc. There are no public use cabins on Unimak, and the extreme weather (high winds, rain, and cool temperatures) requires the best of camping equipment and clothing. If you get a bear, it can be sealed by the refuge staff in Cold Bay, or elsewhere in the state.

Hunt Number: DB375 (fall) or DB376 (spring)

Species: Brown Bear

Legal Animal: One (1) bear, preferably male, (the taking of a sow with cubs is prohibited) GMU,

Area: 10, Unimak Island

Hunting Conditions:

- 1) PERMIT: The DB375 or DB376 permit shall be in the possession of the permittee while hunting or transporting a brown bear and shall be exhibited to any person authorized to enforce state and federal laws who requests to see it. The permit is NON-TRANSFERABLE. Nonresidents are required to hunt with a guide or resident family member within the second degree of kindred. A locking tag is required.
- 2) WHEN: Fall: October 1 – December 31, 2020. Spring May 10 – May 31, 2021
- 3) WHERE: Unimak Island
- 4) BAG LIMIT: One (1) brown bear. Either sex is legal, but harvesting males is encouraged. The taking of sows with cub(s) is prohibited in Alaska. If you have killed a brown bear anywhere in Alaska during the current regulatory year, this permit is invalid.
- 5) REPORTING: SUCCESSFUL hunters: Successful hunters are required to salvage the hide intact, with evidence of sex and claws attached, and skull. Hides and skulls must be sealed by ADF&G, approved expeditor, or USFWS in Cold Bay at the end of your hunt.. UNSUCCESSFUL hunters or permittees who DID NOT HUNT: Report online at <http://hunt.alaska.gov> by phone to 246-3324, or bring the completed harvest report to an ADFG office 15 days of the close of the season.
- 6) PENALTY FOR FAILURE TO REPORT: If you fail to report, you will not be eligible to receive any permits (drawing, tier II, or registration) during the next regulatory year. In addition, your name will be turned over to the Alaska Wildlife Troopers for enforcement action.

Wyoming Wildlife Foundation
 1472 N. 5th St. Ste 201
 Laramie, WY 82072
www.wyomingwildlifefoundation.org
 (307) 432-9453

Proceeds from the sale of this tag go to Wyoming Wildlife Foundation and will be designated toward projects that directly benefit the species from which the tag originates. The license is valid in any hunt area in accordance with Commission regulations, except the following:

A WY Governor Moose license shall not be valid in any moose hunt area which has a total quota of ten (10) or less antlered, or any moose licenses. The 5-year waiting period is waived for recipients of the WY Governors moose license. In addition, preference points will not be lost by the recipients of a WY Governors moose license. The recipient of the WY Governors moose license will receive an application form, which must be returned for the issuance of the license. This form cannot be copied. There is no deadline to submit the application and license fees. However, it is recommended to allow two (2) weeks to process and return the license prior to your intended hunt. Once the license is issued, the license cannot be cancelled or transferred to another individual. The authorization for this license will expire December 31, 2019 and cannot be carried over into another year. Hunters are also required to purchase a conservation stamp prior to hunting big game in the state of Wyoming. Offered by the Mule Deer Foundation.
